## **ATTENTION AHEPA FAMILY MEMBER!**

Does your chapter currently not have a Sons of Pericles?

Do you know any young men between the ages of 14 through 27 who you believe would be a good fit to join the Sons of Pericles?

Did you know that if these young men are over the ages of 21 years old that they must be dual members of your chapter of AHEPA?

Are you having trouble attracting young people into your chapters?
